## Train travel

Reunification trains (Vietnam National Railway provides North-South journeys) and local buses companies (between provinces) is planned to operate partly again from 13OCT. Please refer to website for updates.

## International Travel

For international travel, authorities may reopen select tourist destinations to vaccinated foreign visitors, including Phuquoc, HoiAn, Quang Ninh (Halong), Nhatrang however the timeline will depend on localities' readiness, including vaccine coverage.

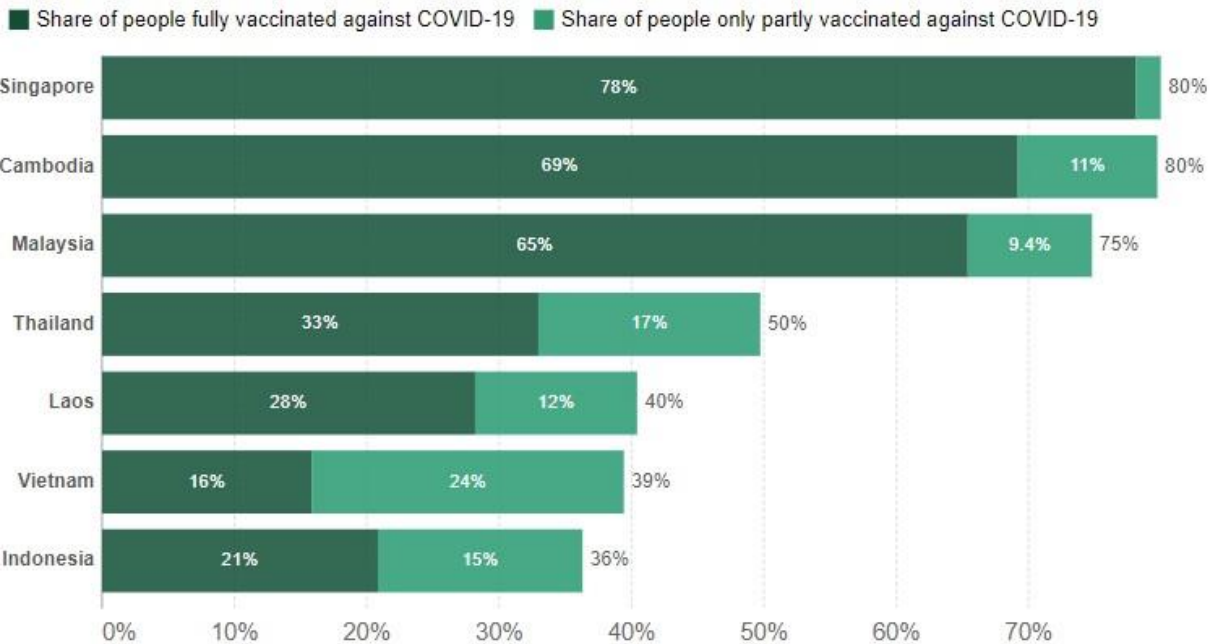

Up to 13<sup>th</sup> October, Vietnam has 16% of population fully vaccinated. In October Vietnam will receive around 40 million more doses. Vietnam needs 150 million does to have 70% of population to be fully vaccinated.

## Vaccinated share of population

See below the vaccinated share of the population in Vietnam in comparison to South East Asian countries.

### Share of people vaccinated against COVID-19, Oct 11, 2021

Alternative definitions of a full vaccination, e.g. having been infected with SARS-CoV-2 and having 1 dose of a 2-dose protocol, are ignored to maximize comparability between countries.

Source: Official data collated by Our World in Data. This data is only available for countries which report the breakdown of doses administered by first and second doses in absolute numbers.
