

HAPPY LUNAR NEW YEAR 2019

Called “Tet” in Vietnam, lunar new year is the country’s most important holiday. Visiting Vietnam during Tet would be a great way to learn more about our cultures! Families reunite after a year of being apart, give each other “lucky money” in little red envelopes, and wander the streets to enjoy special decorations/installations. ITS will be celebrating with our loved ones too, hence our office will be closed for the week of February 4th. During this time, please include team@itsvietnam.com in all of your communication to us or call our hotline number at +84 93 663 1705 so that our on-call staff can assist you. We will be back with normal operations on February 11th. Happy Lunar New Year from ITS!
