Six Senses Resort Con Dao

Accessible by a 50-minute flight from Saigon, Six Senses is the only five-star hideaway in Vietnam's archipelago of Con Dao. It is ideal for different groups of travelers like family, honeymooners and/or retreat goers. Last but very not least, with the help of Con Dao national park authorities, Six Senses Con Dao restored the resort's pristine beach into an ideal egg-hatching habitat for endangered green sea turtles. If you are lucky enough, you will get to watch a mama sea turtle laying her eggs right on the resort premises. We love luxury travel but we love sustainable luxury travel even more!

Write us at sm@itsvietnam.com so we can tailor a luxury program for your client's next vacation (when it's safe to travel of course!).
