

ITS DESTINATION

DALAT: Idea Destination for Your Client's Golf Holidays

Hidden away in the Central Highlands, Dalat is famous for its countryside charm. It draws couples, outdoor enthusiasts, and golf enthusiasts alike. This mountain resort town was once a summer getaway for the French, who left their mark in European-inspired architecture and manicured, rolling lawns. At 5,000 feet above sea level, Dalat's golf clubs feature hilly terrains and pine tree forests, a stark contrast to the sandy dunes of Vietnam's seaside golf resorts.
