

Cambodia welcomes local and international tourists without quarantine

ITS News

CAMBODIA

Cambodia has already opened the country for vaccinated tourists without quarantine required.

All vaccinated tourists are allowed to re-enter the country, both by flight and across the country. The entry conditions are: a negative PCR test within 72 hours of arrival and a rapid test upon arrival at the airport. After that you are free to travel the whole country.

You can contact us for packages to Cambodia. Why not explore some ideas here:

VIETNAM:

On 17th November 2021 the first pilot flight of international tourists arrived at Da Nang. Most of clients are Vietnamese overseas, foreigners who are spouses, children of Vietnamese overseas, or Vietnamese citizens.

Vietnam only allow tourist go to 5 destinations Airport with strict compliance with pandemic prevention measures and a closed tour itinerary

These 5 destinations are: Danang, Hoi An, Phuquoc, Quangninh home to Halong Bay & Nhatrang.

You might like to listen to a recent Podcast hosted by our own Kerry Newsome where she speaks to [Miguel Angel](#) on the program as Head of the Human Resources & Quality working group inside the Vietnam Tourism Advisory Board, a private entity advising the Ministry of Culture, Sports and Tourism of Vietnam. In this short clip you can hear about the 5 province opening.

Clients who want to enter Vietnam should prepare the followings steps:

- i. Book a package tour
 - o Select and register to participate in travel programs of appointed travel agencies. The program must provide:
 - Flight information
 - Accommodation
 - Tour services
 - Itinerary
- ii. Visa issuance: Visa application through travel agencies (if required)
 - o Travelers provide travel agencies with required documents.

- Travel agencies carry out procedures for visa application as per regulations. Visas are issued at diplomatic missions of Vietnam overseas, or at border gates, depending on the requests of the travel agencies.
- iii. Preparations before the flight
 - Conduct RT-PCR/RT-LAMP test within 72 hours before boarding.
 - Before entering Vietnam, the travel agency should advise travelers to monitor their health and consider not traveling to Vietnam if experiencing symptoms of COVID-19.
 - Practice precautions against COVID-19 on means of transportation before entering Vietnam.
 - Prepare copies of required documents, except for electronic copies accepted by the Vietnamese authorities.
 - Prepare the negative RT-PCR/RT-LAMP test results (taken within 72 hours before boarding) to present to the airline and immigration authorities upon request.
 - Children under 12 years of age traveling with a parent or guardian must have a negative RT-PCR/RT-LAMP test result taken within 72 hours before boarding.
- iv. Immigration process
 - All travelers are required to undergo health screening at the international airport of entry, and:
 - Proceed through the temperature checkpoint.
 - Install the IGOVN and PC-COVID.
 - Use the above Applications during your stay in Vietnam.
 - Carry out immigration procedures at the international airport as per regulations. Travel agencies should support and guide travelers while preparing their entry documents

LAOS:

Laos is still closed for tourists
