### **Experience the thrill of diving**

With balmy water temperatures – kicking into gear at this time of year and right through to October, Vietnam makes the ideal location to enjoy diving and learning the skill of diving through such reputable diving companies such as <https://www.divevietnam.com/daily-diving/>. There is plenty of variety here with macro dives among lush soft corals and even exciting drift dives. Northern dive sites boast towering pinnacles and coral teeming with pipe fish, seahorses and nudibranch as well as schooling fish.

## Beach and island hopping – How much time have you got?

Vietnam has a coastline of 3,200 kms so it is fair to say we have some of the most idyllic locations to spoil sun lovers.

Quy Nhon beach is one of those, but you may like to also look at Con Dao Islands, Danang, Nha Trang and Phu Quoc.

## Danang

From Danang you are ideally placed to enjoy a wide choice of entertainment and fun experiences. Why not look at:

**Marble Mountains** - Climb these famous mountains to see the most spectacular views of Danang. Caves so deep they once housed an army hospital. There are also Buddhist sanctuaries and places of worship dotted across the mountains which are a much-visited spiritual site.

A true once in a lifetime experience. Go early morning to avoid the heat of the day.

**Water sports – Danang Beach** – kite surfing, surfing, and paragliding. Easy to purchase tickets from the beach with Life Guards on hand and instructors for those wishing to learn how to surf. Affordable for the whole family. Make a day of it.
