## ITS TRAVEL: Tuyen Lam Lake – Where Nature Unites

Nestled in the heart of Da Lat city, the Tuyen Lam Lake National Tourism Area has achieved a significant milestone by being recognized as Vietnam's first UNESCO-recognized outstanding Asia-Pacific tourism area. Located in the enchanting Lam Dong province of the Central Highlands, this destination presents a perfect blend of water and woodland, where the name "Tuyen Lam" symbolizes the harmonious meeting of streams and forests.

Spanning a vast water surface of 350 hectares, Tuyen Lam Lake offers visitors a tranquil atmosphere, refreshing air, and a diverse natural landscape. This pristine haven is set to captivate travelers with its myriad of unique tourism experiences, including sightseeing, camping, health retreats, trekking, mountaineering, fishing, and even the opportunity to explore revolutionary bases. The area is particularly appealing for eco-tourism enthusiasts, allowing them to revel in the natural beauty while engaging in sports and recreational activities.

Tuyen Lam Lake is akin to a microcosm of an ocean, where each oasis on its shimmering waters represents a distinct continent. Standing at the confluence of the sky and the water's surface, visitors can explore the vastness and discover an entirely new facet of Da Lat's charm.
