Exciting News: Siem Reap Angkor International Airport (SAI)

Siem Reap Angkor International Airport (SAI) is set to begin operations on 16 October 2023, replacing the current Siem Reap International Airport (REP). All international and domestic flights will now operate from the new airport. For more information, visit the new airport's website at [首页-暹粒国际机场 \(sai-airport.com\)](http://sai-airport.com).

The new airport is situated in Kriel Pong Village in the Sotr Nikum district of Siem Reap, approximately 51km from the town center (which will be reduced to 44km once the new road opens). The journey from Siem Reap to the new airport takes 60-90 minutes, depending on traffic. We recommend picking up guests from their hotels 3 hours before their international flight departure time. Transfer costs to/from Siem Reap airport will be adjusted accordingly.

For further information, please don't hesitate to contact our team.

Homestay Experiences in Vietnam

Not sure if you allow clients to experience a "homestay" in Vietnam? Nevertheless, thanks to our stringent quality checks, we can now wholeheartedly recommend 1 or 2-night homestay experiences to your clients. They can anticipate clean, convenient, and secure accommodations, coupled with warm hospitality and delightful cuisine. Immersing themselves in the daily life of a local family for a few days offers an authentic experience that every traveler to Vietnam should embrace.
