ITS NEWS

Vietnam Airlines Launches New Hanoi to Milan Route

Vietnam Airlines will launch a new thrice-weekly nonstop flight between Hanoi and Milan starting July 1, 2025, operated by the Boeing 787 Dreamliner. This marks their ninth route into Europe, with a future route from Ho Chi Minh City to Milan also in the works.

The service aims to attract travelers from Italy and across Europe, reinforcing Vietnam Airlines' global expansion. As the only Vietnamese airline flying to key European cities like Paris, Frankfurt, and London, the network will grow further in October 2025 with flights to Munich.
