Asia Golf Tourism Convention (AGTC) - See You in Pattaya

The ITS Vietnam team will be at AGTC Asia in Pattaya from March 22–25, connecting with global partners and showcasing our latest Vietnam golf product updates. 2026 also marks ITS' 15th year as an IAGTO member. We'd love to raise a (metaphorical) glass with you in Pattaya!

Escape the Traffic: New Golf & Zen Experiences near Hanoi

Heavy traffic in Hanoi and Ho Chi Minh City can often make transits between hotels and golf courses in these cities take longer than necessary. Our new Hanoi – Yen Tu – Ha Long Bay route does more than solve the traffic problem between the capital and the UNESCO site. This itinerary brings a blend of world-class golf - anchored by the new Silk Path Dong Trieu Golf & Country Club, cultural immersion, and relaxation.

DESTINATION NEWS

Goodbye, Seaplanes

Seaplane services between Hanoi and Ha Long Bay will cease operations from April 1, 2026. While we're sad to say goodbye to a unique way of experiencing Ha Long Bay, we're rooting for our partner Hai Au Aviation as they take on new heights (pun intended) with their private charter services. If you're looking to incorporate a private flight into your Vietnam offerings, we're here to build the full experience around it: transfers, tours, visa support, and everything in between. Questions? [Let us know.](#)

Vietnam's First Ever Private Island

Ultra-luxury has a new address in Vietnam. Your groups can now have an entire island to themselves in Nha Trang, ideally positioned between Ho Chi Minh City and Da Nang, with easy access by air and road.

One quick boat ride and you're in Van Phong Bay. The VIAS Resort Van Phong Peninsula makes the perfect choice for high-end M.I.C.E programs and exclusive wellness retreats with unmatched privacy. As with all our products, ITS handles the full journey, from transfers and land tour extensions to visa arrangements, so your clients can experience the destination, not the logistics.
